

Blaize to Showcase Edge AI Innovation at GITEX GLOBAL 2025 in Dubai

October 8, 2025

EL DORADO HILLS, Calif.--(BUSINESS WIRE)--Oct. 8, 2025-- [Blaize Holdings, Inc.](#) (NASDAQ: BZAI, NASDAQ: BZAIW) ("Blaize"), a leader in programmable, energy-efficient edge AI computing, today announced its participation at [GITEX GLOBAL 2025](#), the world's largest tech, AI, and startup show taking place October 13-17 in Dubai.

Now in its 45th year, GITEX GLOBAL brings together innovators, investors, and technology leaders for a week of conferences, workshops, and networking opportunities across AI, cybersecurity, mobility, sustainable tech, and more. This year's event spans two venues – the Dubai World Trade Centre and Dubai Harbour — with Blaize exhibiting at [Reach Digital](#) Booth #H18-B30.

Meet Blaize at GITEX GLOBAL:

Dates: October 13-17, 2025

Where: Dubai World Trade Centre, Reach Digital Booth #H18-B30

Time: 10 a.m.- 5 p.m. GST daily

This exhibition follows Blaize's [participation in the Milken Institute 2025 Asia Summit](#) and precedes its upcoming presence at [The AI Summit at Web Summit](#), taking place November 10-13 in Lisbon.

Since going public at the start of the year, Blaize has accelerated its large-scale hybrid AI deployments with major contract wins worldwide. The company recently secured a [\\$56 million](#) edge AI deployment deal across Southeast Asia, followed by a [\\$120 million](#) AI infrastructure deal across Asia with [Starshine Computing Power Technology Limited](#). Most recently, Blaize announced a new strategic infrastructure partnership with [Technology Control Company](#), a leading technology solutions provider in the Kingdom of Saudi Arabia, to build advanced AI infrastructure and accelerate smart transformation across the country.

Visit Blaize at GITEX GLOBAL or [schedule a meeting](#) to see how its edge AI technology is transforming industries and enabling smarter, more connected solutions for tomorrow's challenges.

About Blaize

Blaize provides a full-stack programmable processor architecture suite and low-code/no-code software platform that enables AI processing solutions for high-performance computing at the network's edge and in the data center. Blaize solutions deliver real-time insights and decision-making capabilities at low power consumption, high efficiency, minimal size, and low cost. Headquartered in El Dorado Hills (CA), Blaize has more than 200 employees worldwide with teams in San Jose (CA) and Cary (NC), and subsidiaries in Hyderabad (India), Leeds and Kings Langley (UK), and Abu Dhabi (UAE). Cautionary Statement Regarding Forward Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") that are based on beliefs and assumptions and on information currently available to Blaize, including statements regarding the industry in which Blaize operates, market opportunities, product offerings, and the expected results of the engagements with the South Asian company, Starshine, and TCC. In some cases, you can identify forward-looking statements by the following words: "may," "will," "could," "would," "should," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "project," "potential," "continue," "ongoing," "target," "seek" or the negative or plural of these words, or other similar expressions that are predictions or indicate future events or prospects, although not all forward-looking statements contain these words. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this document, including but not limited to: (i) changes in domestic and foreign business, market, financial, political and legal conditions; (ii) failure to realize the anticipated benefits of Blaize's business combination with BurTech Acquisition Corp. (the "Business Combination"), which may be affected by, among other things, competition, the ability of the combined company to grow and manage growth profitably, maintain relationships with customers and suppliers and retain its management and key employees; and (iii) those factors discussed under the heading "Risk Factors" in our Annual Report on Form 10-K filed with the Securities and Exchange Commission "SEC" on April 15, 2025 and other documents filed by Blaize from time to time with the SEC. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Blaize assumes no obligation to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law, including the securities laws of the United States and the rules and regulations of the SEC. Blaize does not give any assurance that it will achieve its expectations.
