Item 3. Source and Amount of Funds or Other Consideration

All of the shares of the Issuer's Common Stock (the "Common Stock") reported herein as beneficially owned by the Reporting Persons (other than the Sponsor Stock and the Debtor Collateral Stock, each as defined below), were acquired pursuant to an Agreement and Plan of Merger, dated as of December 22, 2023 (as amended on April 22, 2024, October 24, 2024 and November 21, 2024, the "Business Combination Agreement"), by and among BurTech Acquisition Corp., a Delaware corporation ("BurTech"), BurTech Merger Sub Inc., a Delaware corporation and a direct, wholly owned subsidiary of BurTech, Blaize, Inc., a Delaware corporation ("Blaize"), and for the limited purposes set forth therein, Burkhan Capital LLC, a Delaware limited liability company and affiliate of BurTech. The transactions contemplated by the Business Combination Agreement (the "Business Combination") closed on January 13, 2025 (the "Closing"). Pursuant to the terms of the Business Combination Agreement, immediately prior to the Closing, (i) each share of Blaize Series D-2 Shadow Preferred Stock of Blaize (the "Series D-2 Shadow Preferred Stock") converted to Blaize common stock and (ii) holders of Blaize common stock received approximately 0.78

shares of Common Stock for each share of Blaize common stock held by them at such time, subject to certain limitations. Immediately prior to the Closing on January 13, 2025, (i) Bess Ventures held 4,167,698 shares of Series D-2 Shadow Preferred Stock and 5,500,000 shares of common stock of Blaize and (ii) the Trust held 500,000 shares of common stock of Blaize (collectively, the "Existing Blaize Stock"). Upon the Closing, the Existing Blaize Stock was collectively converted into the right to receive 9,336,751 shares of Common Stock. Immediately prior to the Closing, stock options held by Mr. Bess and exercisable for 237,500 shares of common stock of Blaize at a price of \$0.92 per share were converted into options exercisable within the next 60 days for 185,234 shares of Common Stock at a price of \$1.18 per share. 1,500,000 shares of Sponsor Stock were acquired as consideration in connection with Bess Notes (as defined below), pursuant to which Bess Ventures loaned \$25,000,000 to the Sponsor (as defined below) to facilitate the Closing. The Sponsor Stock is beneficially owned by Bess Ventures as of the date that the Letter Agreement Lock-Up Terms (as defined below), which restrict formal transfer of the Sponsor Stock from the Sponsor to Bess Ventures, were within 60 days of their automatic expiry. The Sponsor defaulted on the Bess Notes. On May 8, 2026, 3,500,000 shares (inclusive of Sponsor Stock) of Debtor Collateral Stock underlying the Bess Notes were foreclosed upon as described in the Foreclosure Notice (as defined below). As a result, an additional 2,000,000 shares of Debtor Collateral Stock are beneficially owned by Bess Ventures as of the date set forth in the Foreclosure Notice. Other than the foreclosure on the Debtor Collateral Stock described above, there have been no transactions effected by the Reporting Persons in the past sixty days with respect to the securities of the Issuer.

Item 4. Purpose of Transaction

The Reporting Persons acquired the securities of the Issuer for investment purposes. Reporting Persons or their affiliates may purchase additional securities or dispose of securities in varying amounts and at varying times depending upon Reporting Persons' continuing assessments of pertinent factors, including the availability of shares of Common Stock or other securities for purchase at particular price levels, the business prospects of the Issuer, other business investment opportunities, economic conditions, stock market conditions, money market conditions, the attitudes and actions of the board of directors (the "Board") and management of the Issuer, the availability and nature of opportunities to dispose of shares of the Issuer and other plans and requirements of the particular entities. The Reporting Persons may discuss items of mutual interest with the Issuer, which could include items in subparagraphs (a) through (j) of Item 4 of Schedule 13D. Depending upon their assessments of the above factors, the Reporting Persons or their affiliates may change their present intentions as stated above and they may assess whether to make suggestions to the management of the Issuer regarding financing, and whether to acquire additional securities of the Issuer, including shares of Common Stock (by means of open market purchases, privately negotiated purchases, or otherwise) or to dispose of some or all of the securities of the Issuer, including shares of Common Stock, under their control. The Reporting Persons or their affiliates may seek to acquire other securities of the Issuer, including other equity, debt, notes or other financial instruments related to the Issuer or the Common Stock (which may include rights or securities exercisable or convertible into securities of the Issuer), and/or sell or otherwise dispose of some or all of such Issuer securities or financial instruments (which may include distributing some or all of such securities to such Reporting Person's respective partners or beneficiaries, as applicable) from time to time, in each case, in open market or private transactions, block sales or otherwise. Any transaction that any of the Reporting Persons or their affiliates may pursue may be made at any time and from time to time without prior notice and will depend on a variety of factors, including, without limitation, the price and availability of the Issuer's securities or other financial instruments, the Reporting Persons' or such affiliates' trading and investment strategies, subsequent developments affecting the Issuer, the Issuer's business and the Issuer's prospects, other investment and business opportunities available to such Reporting Persons and their affiliates, general industry and economic conditions, the securities markets in general, tax considerations and other factors deemed relevant by such Reporting Persons and such affiliates. The Reporting Persons intend to review their investment in the Issuer on an ongoing basis and, in the course of their review, may take actions (including through their affiliates) with respect to their investment or the Issuer, including communicating from time to time with the Board, members of management, other securityholders of the Issuer, or other third parties, advisors, such as legal, financial, regulatory, or other advisors, to assist in the review and evaluation of strategic alternatives. Such discussions and actions may be exploratory in nature, and not rise to the level of a plan or proposal. Mr. Bess serves as Chairman of the Board and, in such capacity, may have influence over the corporate activities of the Issuer, including activities which may relate to items described in subparagraphs (a) through (j) of Item 4 of Schedule 13D. Except as described in this Schedule 13D, the Reporting Persons do not have any present plans or proposals that relate to or would result in any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D, although, subject to the agreements described herein, the Reporting Persons, at any time and from time to time, may review, reconsider and change their position and/or change their purpose and/or develop such plans and may seek to influence management of the Issuer or the Board with respect to the business and affairs of the Issuer and may from time to time consider pursuing or proposing such matters with advisors, the Issuer or other persons.

Pursuant to the Registration Rights Agreement, the Issuer agreed to register for resale certain shares of the Issuer's Common Stock and other equity securities of the Issuer. Additionally, the Registration Rights Agreement provides for customary "demand" and "piggyback" registration rights for certain stockholders, including Mr. Bess and Bess Ventures. Lock-Up Agreements Upon the Closing, the Issuer entered into lock-up agreements (the "Lock-up Agreements") with Mr. Bess and Bess Ventures, in each case, restricting the transfer of Common Stock and any shares of Issuer Common Stock issuable upon the exercise or settlement, as applicable, of options to purchase the Issuer's Common Stock or RSUs held by it immediately after the effective time of the Business Combination from and after the Closing. The restrictions under the Lock-up Agreements began at the Closing and end on the date that is 180 days after the Closing, or upon the earlier of (x) the last reported sale price of Common Stock reaching \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after the Closing and (y) the liquidation of the Issuer. Under the Blaize Support Agreement, the Blaize Equityholders agreed to vote or cause to be voted or to execute and deliver a written consent with respect to the Blaize equity interests held by the Blaize Equityholders adopting the Business Combination Agreement and approving the Business Combination. The Blaize Support Agreement terminated in connection with the Closing. Promissory Notes Bess Ventures is a party to the promissory note agreement, dated as of January 19, 2024 (the "Bess Promissory Note"), pursuant to which the Sponsor borrowed an aggregate principal amount of \$13,000,000 from Bess Ventures in exchange for 500,000 shares of BurTech Class A Common Stock (such shares due to Bess Ventures, the "Sponsor Stock"). An additional 500,000 shares of Sponsor Stock would be owed to Bess Ventures if there was an event of default under the Bess Promissory Note. Bess Ventures is a party to the promissory note agreement, dated as of January 2, 2025 (the "2025 Bess Promissory Note", and, together with the Bess Promissory Note, the "Bess Notes"), pursuant to which the Sponsor borrowed an additional aggregate principal amount of \$12,000,000 from Bess Ventures in exchange for an additional 500,000 shares of Sponsor Stock. Under the Bess Notes, the Sponsor agreed to use commercially reasonable efforts to seek release of the Sponsor Stock from the Letter Agreement Lock-Up Terms. In the event the Sponsor Stock cannot be released from the Letter Agreement Lock-Up Terms, the Sponsor agreed to transfer the Sponsor Stock to Bess Ventures following the expiration of the Letter Agreement Lock-Up Terms. The obligations due under the Bess Promissory Note are secured by the Security Agreement, dated as of January 19, 2024 (the "Bess Security Agreement"), pursuant to which the Sponsor has granted a security interest in all of Sponsor's right, title and interest in and to the personal property and assets, whether now owned or hereafter acquired, set forth in Exhibit A thereto. In addition, Bess Ventures, the Sponsor and Blaize entered into a Letter Agreement, dated as of February 15, 2024 (the "Letter Agreement"), pursuant to which Blaize acknowledged and agreed to the grant of security and the obligations set forth in the Bess Security Agreement and other related loan documents, and further agreed to comply with certain instructions and procedures as set forth therein. In addition, the obligations due under the 2025 Bess Promissory Note are secured by the Security Agreement, dated as of January 2, 2025 (the "2025 Bess Security Agreement"), pursuant to which the Sponsor has granted a security interest in all of Sponsor's right, title and interest in and to the personal property and assets, whether now owned or hereafter acquired, set forth in Exhibit A thereto, including 2,500,000 shares of Common Stock (of which 500,000 are shares of Sponsor Stock) (the "2025 Collateral Stock"). In addition, the obligations under the Bess Notes are guaranteed by Burkhan LLC, an affiliate of the Sponsor (the "Guarantor"), under the Guaranty, Pledge and Repayment Agreement dated as of January 2, 2025 by and between Burkhan LLC and Bess Ventures (the "Guaranty Agreement") pursuant to which the Guarantor has granted a security interest in all of Guarantor's right, title and interest in and to the personal property and assets, whether now owned or hereafter acquired, set forth in Exhibit A thereto, including 2,000,000 shares of Common Stock. The Sponsor defaulted on the repayment terms in connection with the Bess Promissory Note, the Bess Security Agreement and the Letter Agreement as a result of its failure to make a timely repayment of the outstanding balance that was due on March 31, 2024. On September 16, 2024, Bess Ventures and the Sponsor entered into a Forbearance Agreement (the "Forbearance Agreement"), in connection with which Bess Ventures agreed to forbear from the exercise of its remedies under the Bess Promissory Note, the Bess Security Agreement and the related loan documents until the earlier of (i) January 6, 2025 or (ii) the date that is 45 days following the Closing Date. On January 2, 2025, Bess Ventures and the Sponsor entered into a Second Forbearance Agreement and Omnibus Amendment (the "Second Forbearance Agreement"), pursuant to which Bess Ventures agreed to forbear from the exercise of its remedies under the Bess Promissory Note, the Bess Security Agreement and the related loan documents until February 5, 2025, or earlier upon a forbearance termination event, and the Sponsor granted a security interest in all of Sponsor's right, title and interest in and to the personal property and assets, whether now owned or hereafter acquired, set forth in Exhibit A thereto, including 3,000,000 shares of Common Stock as to the collateral underlying the Bess Security Agreement (of which 1,000,000 are shares of Sponsor Stock). Such stock, together with the 2025 Collateral Stock, totaling 3,500,000 shares (including 1,500,000 shares of Sponsor Stock), is referred to herein as the "Debtor Collateral Stock". As of May 8, 2026, the Sponsor had defaulted on the Bess Notes. On May 8, 2026, Bess Ventures foreclosed on the 3,500,000 shares of Debtor Collateral Stock (inclusive of any Sponsor Stock) pursuant to its remedies under the Uniform Commercial Code on the terms described in a notice of private disposition of collateral (the "Foreclosure Notice") with respect to the Bess Notes. As of the date hereof, the beneficial ownership figures set forth in this Schedule 13D (as amended) reflect 3,500,000 shares of Debtor Collateral Stock (inclusive of any Sponsor Stock), but do not reflect any remaining shares of Common Stock pledged for the benefit of Bess Ventures pursuant to the Second Forbearance Agreement or the Guaranty Agreement. Earnout Pursuant to the Business Combination Agreement, Eligible Company Holders (as defined in the Business Combination Agreement), including Mr. Bess and Bess Ventures, are entitled to up to 15 million shares of Common Stock in the aggregate (the "Earnout Shares") upon the occurrence of certain triggering events linked to the trading price of the Common Stock after the Closing. In the event the triggering events occur, Earnout Shares will be distributed to Eligible Company Holders in proportion to such Eligible Company Holders pro rata share of Blaize common stock immediately prior to the Closing. The information disclosed in this Item 6, including the foregoing descriptions of the Business Combination Agreement, the Bess Promissory Note, the Bess Security Agreement, the Letter Agreement, the Forbearance Agreement, the 2025 Bess Promissory Note, the 2025 Bess Security Agreement, the Guaranty Agreement, the Second Forbearance Agreement, the Blaize Support Agreement, the Lock-Up Agreements, the Registration Rights Agreement, the Foreclosure Notice and the transactions contemplated thereby, do not purport to be complete and are subject to, and qualified in its entirety by, the full text of such agreements, copies of which are attached hereto as Exhibits 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13 and 14 and incorporated herein by reference in their entirety.
