Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On September 28, 2026, Blaize Holdings, Inc. (the “Company”) received a letter (the “Notice”) from the Listing Qualifications Department of The Nasdaq Stock Market LLC (“Nasdaq”) notifying the Company that because the closing bid price for the Company’s common stock, par value \$0.0001 per share (the “Common Stock”), was below \$1.00 per share for the last 30 consecutive business days, the Company was not currently in compliance with the minimum closing bid price required for continued listing on the Nasdaq Global Market pursuant to Nasdaq Listing Rule 5450(a)(1) (the “Minimum Bid Price Requirement”). The Company’s Common Stock will continue to trade on The Nasdaq Global Market under the symbol “BZAI” at this time, subject to the Company’s compliance with other Nasdaq listing requirements.

In accordance with Nasdaq Listing Rule 5810(c)(3)(A), the Company has a period of 180 calendar days from September 25, 2026, or until March 29, 2027, to regain compliance with the Minimum Bid Price Requirement. If at any time during the 180-calendar day grace period, the closing bid price of the Company’s Common Stock is at least \$1.00 per share for a minimum of ten consecutive business days (unless the Nasdaq staff exercises its discretion to extend this ten business day period pursuant to Nasdaq Listing Rule 5810(c)(3)(H)), Nasdaq will provide the Company written confirmation of compliance, and the matter will be closed.

If the Company does not regain compliance during the compliance period, the Company may be provided a second 180 calendar day period to regain compliance if it applies to transfer the listing of the Company’s Common Stock to the Nasdaq Capital Market. To qualify, the Company must meet the continued listing requirement for market value of publicly-held shares and all other initial listing standards for the Nasdaq Capital Market (with the exception of the Minimum Bid Price Requirement), based on the Company’s most recent public filings and market information and notify Nasdaq of its intent to cure the deficiency. If the Company does not regain compliance within the allotted compliance periods, including any extensions that may be granted by Nasdaq, the Company’s stock will be subject to delisting.

The Company intends to monitor the closing bid price of its Common Stock and assess potential actions to regain compliance. While the Company plans to review all available options, the Company may not regain compliance with the Minimum Bid Price Requirement during the 180-day compliance period, secure a second 180-day period to regain compliance, or maintain compliance with the other Nasdaq listing requirements.

The forward-looking statements contained in this Current Report are based on management’s current expectations, which are subject to uncertainty, risks and changes in circumstances that are difficult to predict and many of which are outside of the Company’s control.
