PART III -- NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, Form N-CEN, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Blaize Holdings, Inc. (the "Company") has determined that it is unable to file its Quarterly Report on Form 10-Q for the quarter ended September 30, 2026 (the "Form 10-Q") by November 16, 2026, the original due date for such filing, without unreasonable effort or expense due to the circumstances described below.

As previously announced in the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission ("SEC") on October 5, 2026, in July and August 2026, the Company and certain of its employees and members of the Board received subpoenas and inquiries from the U.S. Department of Justice (the "DOJ") requesting information relating to the Company's business and agreements with certain counterparties. The Company has also received voluntary requests for information from the U.S. Securities and Exchange Commission ("SEC") for information substantially similar to that sought by the DOJ. Following these events, the Company's Board of Directors established a Special Committee to oversee an internal investigation of these matters, with the assistance of independent advisors. This investigation is ongoing. The Company is cooperating with the DOJ and SEC in responding to their requests for information.

In connection with this investigation, the Company and its advisors are performing additional work related to the Form 10-Q, which might result in adjustments to the financial statements included therein, as well as additional disclosures regarding the Company's internal control over financial reporting and disclosure controls and procedures. The Company is reviewing similar matters in its previously issued financial statements.

As a result of these developments, the Company has been unable to complete its preparation and review of its Form 10-Q in time to file within the prescribed time period without unreasonable effort or expense. While the Company continues to work expeditiously to conclude this review and file the Form 10-Q as soon as practicable, the Company does not anticipate filing such Quarterly Report on Form 10-Q within the five day extension provided by Rule 12b-25(b). The Company will continue to devote the resources necessary to complete the Form 10-Q as soon as practicable.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes ☒ No ☐

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes ☒ No ☐

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company is unable to provide a reasonable estimate of its results of operations for the year to date and potentially the comparative periods ended September 30, 2026 for the reasons set forth in Part III above describing why the Form 10-Q could not be filed on time.
